Just a friendly reminder that if you have not already done so please start or finish your re-enrollment process. You should have received another email on Thursday to either start or finish your re-enrollment process.

Also, if you have a new student in your family and have started that process you should have received an email to finish the new enrollment as well.

We have added buttons on the web site under enrollment for both new and re-turning students if your emails have gotten lost.

Thank you for your patience in this new process.
