ORGANIZATIONAL PLAN PROCEDURE

Durable pencil/tool bag

They will use this bag to carry needed supplies to each class. Supplies needed for each class will be pencils, pens, eraser, and highlighters.

Spirals

Each subject will have its OWN spiral notebook. The spirals are for notes NOT for homework that is to be turned in. All spirals will be color coded for each class (i.e. red-Literature). If a spiral needs to be replaced, please replace with the same color.

Flexible file folder rather than a binder(13 Pocket)

We feel that the binders are big and bulky for the space we have to work with and thus are requiring the flexible file folder instead. The file folder will be divided in the same way for each grade level. The student will be expected to use it to store blank notebook paper for assignments, daily assignments for each class, and completed homework. **We ask that children set up their expandable file folders prior to the first day of school.**

All spiral notebooks for the Jr. High will be labeled using the following colors and subjects.

(You may substitute colors if you are unable to find the ones listed)

Literature	= Red
Science	= Green
Math	= Yellow
English	= Orange
Religion	= Purple
Social Studies	= Black
Fine Arts	= Lt. Blue
Elective	= Any Color
Writing	= Any Color

All book covers can have the same color present on the spine of the book to help with organization. (i.e. English would have an orange dot on the spine of the book cover.)

The expandable file folder will be labeled as follows:

The 1 st	pocket: Spelling
2 nd	: English
3 rd	: Fine Arts(Music, Art, etc.)
